Puppy Chow Training Treats are formulated to meet the nutritional levels established by the AAFCO Dog Food Nutrient Profiles for all life stages including growth of large size dogs (70 lbs. or more as an adult).

FEEDING INSTRUCTIONS

This product is a treat and is not intended to be fed as a meal. The caloric intake from treats should not exceed 10% of a dog's total daily caloric requirement. However, Puppy Chow Training Treats provide 100% complete and balanced nutrition for dogs of all life stages including puppies so that they will not dilute the nutritional value of your dog's regular diet. If treats are given, the amount of food should be reduced accordingly to maintain proper weight. Provide adequate fresh water in a clean container daily. For your pet's health, see your veterinarian regularly
