Feed as a treat to your adult dog. This product is a treat and is not intended to be fed as a meal. Feed 1 treat for each 20 pounds of body weight, not to exceed 5 treats per day. The caloric intake from treats should not exceed 10% of a dog's total daily caloric requirement. If treats are given, the amount of food should be reduced accordingly. Monitor your dog to ensure treat is adequately chewed prior to swallowing. Break into small pieces for adult small/toy breed dogs. Provide adequate fresh water in a clean container daily. For your pet's health, see your veterinarian regularly.
