Friskies Playfuls With Salmon & Shrimp Flavor is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profiles for maintenance of adult cats.

FEEDING INSTRUCTIONS

Feed your adult cat 2 treats for each 1 pound of body weight, not to exceed up to 10 treats daily as a reward or tasty snack. Friskies Playfuls provides 100% complete and balanced nutrition for adult cats so that it will not dilute the nutritional value of your cat's regular maintenance diet. To maintain your cat's proper weight, reduce the amount of cat food offered proportionately to the amount of snacks you feed your cat.
