### RECOMMENDED DAILY FEEDING AMOUNTS

Adult dogs 15 - 40 lbs    1 piece over 2 days  
Adult dogs 40+ lbs        1 piece per day

Feed as a treat to your adult dog. This product is a treat and is not intended to be fed as a meal. The caloric intake from treats should not exceed 10% of a dog's total daily caloric requirement. If treats are given, the amount of food should be reduced accordingly. Monitor your dog to ensure treat is adequately chewed prior to swallowing. This chew snack is not suitable for puppies under one year of age or adult dogs under 15 pounds. Feed on an easy to clean surface. Provide adequate fresh water in a clean container daily. For your pet's health, see your veterinarian regularly.
