**Manufactured by: Nestlé Purina PetCare Company, St. Louis, MO 63164 USA**

Friskies Indoor Delights is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profiles for maintenance of adult cats.

**RECOMMENDED DAILY FEEDING AMOUNTS**

Using a standard 8 oz. measuring cup

Weight (lbs)	Dry Food Only (cups)
5 - 9	1/3 to 2/3
10 - 14	2/3 to 3/4

These amounts are averages and your cat's needs may differ. Feeding should be adjusted as necessary to maintain an ideal body condition. Remember, cats are nibblers who enjoy eating small meals throughout the day, so your cat would appreciate it if you keep a bowl of Friskies dry cat food available at all times.

**HOW TO CHANGE YOUR CAT'S DIET**

Remember, changes in your cat's diet should be made gradually to allow your cat to become accustomed to a new food. Substitute small amounts of the new food for the old food, gradually increasing the amount

of the new food while decreasing the old food, over a period of 7 - 10 days. This gradual transition will help avoid dietary upsets - something both you and your cat can appreciate.

Provide adequate fresh water in a clean container daily.

For your pet's health, see your veterinarian regularly.

#### ABBREVIATED FEEDING DIRECTIONS (FOR SAMPLE PACKAGES ONLY)

#### RECOMMENDED DAILY FEEDING AMOUNTS

Using a standard 8 oz measuring cup

#### ADULT CATS

Weight of Cat (lbs)	Feeding Amount (cups)
5 - 9	1/3 to 2/3
10 - 14	2/3 to 3/4

These amounts are averages and your cat's needs may differ. Feeding should be adjusted as necessary to maintain an ideal body condition. Water is essential to your cat's health. Be sure to provide fresh water in a clean bowl every day.
